HP SYSTEM PLANNING, MONITORING AND REVIEW PROCESS

PLAN

- > At the start of every four-year cycle NSOs develop a 'What it Takes to Win' model and HP strategy to win well consistently and sustainably at pinnacle events with support from the AIS
- NSOs plan for annual events with the support of the AIS &/or State Institutes of Sport and State Academies of Sport

OUTPUT

- > Athlete categorisation
- > Campaign planning
- > Operational plans and budgets
- > Athlete plans

MONITOR

 \rightarrow

NSOs continue to monitor their progress against their agreed plans/strategies with the support of the AIS &/or State Institutes of Sport and State Academies of Sport

OUTPUT

- > Improve performance (eg: athlete monitoring, competition analysis, coaching)
- > Strengthen the system (eg: strategic planning, key performance drivers)
- > Enhance the culture (eg: innovation, good leadership, engagement)

REVIEW

- NSOs meet annually with the AIS &/or SIS/SAS to review progress for pinnacle event targets against agreed milestones
- NSOs meet with the AIS &/or SIS/SAS at the end of every four-year cycle to review the outcomes of the pinnacle event and to confirm strategic priorities for the next four-year cycle.

OUTPUT

- > Agreed annual actions plan
- > Update and refine HP strategic plans/priorities
- > Specific reviews
- > Resourcing and support from AIS and SIS/SAS
