

NATIONAL CAREERS WEEK

MAY 17-23 2021

Athletes and staff from National Sporting Organisations, the National Institute Network and the Elite Athlete Education and TAFE Networks are invited to join the AIS National Careers Week webinars.

Five webinars are available, each showcasing valuable career advancement content provided by the AIS Career Practitioner Referral Network, plus an athlete interview discussing the steps taken for a successful transition from elite sport to a career of choice.

Click the link to register for the webinars of your choice. A link to the webinar will then be forwarded to you.
